# Haiku Deck – the fastest, easiest new way to create and share beautiful presentations without hiring a professional designer or wrestling with complicated software

The screenshot shows the Haiku Deck website homepage. At the top, there is a navigation bar with the Haiku Deck logo on the left and links for 'NEW DECK', 'GALLERY', 'ZURU', 'BLOG', 'REVIEWS', 'OUR STORY', 'HELP', and 'SIGN IN' on the right. Below the navigation bar is a dark blue banner with the text 'Instant Presentations, Powered by Artificial Intelligence' on the left and 'INTRODUCING HAIKU DECK ZURU' with a 'LEARN MORE' button on the right. The main content area has a light gray background with the heading 'PRESENTATIONS THAT INSPIRE' and the subtext 'Meet Haiku Deck, a completely new kind of presentation software. We make telling your story simple, beautiful, and fun.' Below this, there is a large image of a tablet displaying a presentation slide with the text 'THINK LIKE AN INNOVATOR' and several lightbulb icons. To the right of the tablet, there is a section titled 'GET HAIKU DECK:' with two options: 'FOR IPAD' (represented by a blue hexagon icon) and 'FOR WEB' (represented by a yellow hexagon icon).
